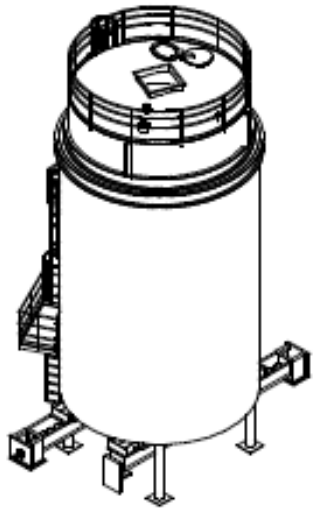
Plants for difficult to handle bulk materials

SHW
Storage & Handling Solutions

Scheksna, Russia

YEAR OF CONSTRUCTION 2015



DESCRIPTION

To SHW delivers a silo discharge & transport system for the storage and dosing of wood chips to the downstream process.

TECHNICAL DATA

> bulk material
wood chips

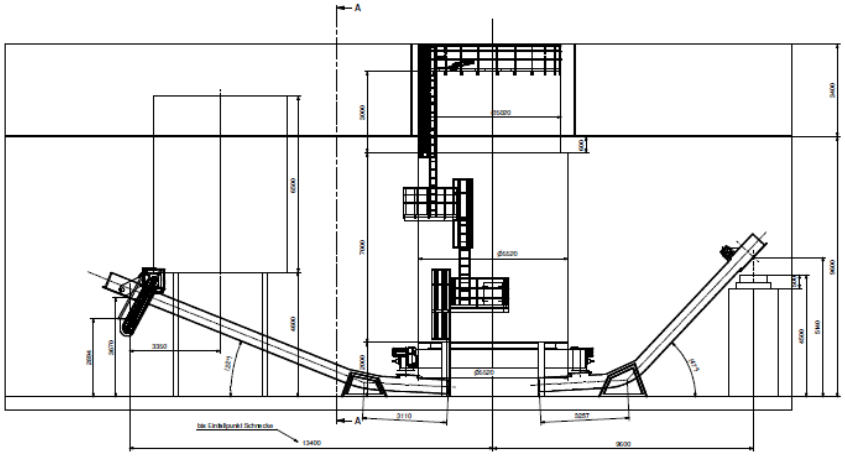
> silo
225 m³

> silo dimensions
Ø 5,500 mm (18.05 ft)

> discharge unit
rotor

> discharge efficiency
2x 60 m³/h (2,119 ft³/h)

> execution
S235

> transport
chain conveyor


> transport capacity
2x 60 m³ (2,119 ft³)
